

AGRICULTURE (402)

Associate of Science

ABOUT OUR PROGRAM

This program is intended to provide the first two years of a four-year baccalaureate program and includes the general education and agriculture courses required of the transfer student. This program provides a solid foundation in the essential elements of the agriculture curriculum. Students may transfer to a wide variety of institutions to complete their baccalaureate degree.

NATURE OF WORK AND EMPLOYMENT

After completing a Bachelor's Degree, students may find employment in a wide variety of fields due to the all-encompassing nature of agriculture and its related products and services. Some job titles and duties include farm manager, teacher, equipment sales, finance, feed sales, and forestry consultant.

SPECIAL CONSIDERATIONS

The listed coursework is a recommendation only. Students should check with a student advisor for HCC graduation requirements and specific university requirements in this major. Students must meet with an advisor to ensure that the special requirements of the department and institution to which they plan to transfer are met. Colleges and universities have specific requirements for transfer students.
