## **Ways for you to make a gift:**

There are many ways to make a gift to the Highland Community College Foundation. A gift can be given as cash, securities, property, trusts, a bequest or in some combination of the following:

- An outright cash or check gift should be made payable to the Highland Community College Foundation. These gifts can also be made as a pledge paid over a period of time up to five years.
- The payroll deduction plan is available to staff and faculty at Highland Community College.
- Appreciated stock or securities given to the HCC Foundation have the added advantage of giving a donor the ability to deduct the appreciated market value without paying the capital gains tax.
- Insurance gifts of paid-up policies, new policies or naming the HCC Foundation as beneficiary.
- Property gifts can encompass many things from real estate to personal property and equipment.
- A donor may create a Charitable Trust Agreement with the HCC Foundation as a beneficiary.

Some of these gifts require careful planning with your family and advisors. If you would like to discuss some of these possibilities, please call Susan Atherton (815.599.3406) at the HCC Foundation Office. She will be happy to work together with you and your advisors to devise a plan to fit your interests and the needs of the college community.

Public and visual recognition of your investment will be displayed and shared as appropriate.
