The behavioral intervention team is charged with violence prevention, threat assessment, planning and training. The team's duties include reviewing student concerns. Our goal is to intervene early and provide students with appropriate assistance. Feel free to report concerns to any member of the team, online, or to a dean or department leader who will also contact the behavioral intervention team as needed.

Harassment, Discrimination, and Sexual Misconduct Reports

Official reports of sexual misconduct, including harassment, should be reported online or to one of the following people:
