APRIL 20, 2010
HIGHLAND COMMUNITY COLLEGE BOARD**

PRESIDENT'S CONTRACT

RECOMMENDATION OF THE BOARD: That the Board of Trustees extend the current employment agreement for Dr. Joe Kanosky through June 30, 2013.

BACKGROUND: Dr. Kanosky's employment agreement dated June 20, 2006 provides that, by April 15 of each fiscal year, the Board must discuss whether the term of the agreement should be extended and any conditions on such extension. The agreement also requires that if the President's evaluation is satisfactory or better, the length of the agreement shall be extended for an additional year by Board action no later than at the May Board meeting.

The Board conducted Dr. Kanosky's annual evaluation through a series of closed session meetings and recommends that the agreement be extended by one year. The remaining terms and conditions are unchanged.
