

**AGENDA ITEM #IV-A-1  
APRIL 26, 2011  
HIGHLAND COMMUNITY COLLEGE BOARD**

**PRESIDENT'S CONTRACT**

**RECOMMENDATION OF THE BOARD:** That the Board of Trustees extend the current employment agreement for Dr. Joe Kanosky through June 30, 2015.

**BACKGROUND:** Dr. Kanosky's employment agreement dated June 20, 2006 provides that, by April 15 of each fiscal year, the Board must discuss whether the term of the agreement should be extended and any conditions on such extension. The agreement also requires that if the President's evaluation is satisfactory or better, the length of the agreement shall be extended by Board action no later than at the May Board meeting.

The Board conducted Dr. Kanosky's annual evaluation through a series of closed session meetings and recommends that the agreement be extended by two years. The remaining terms and conditions are unchanged at this time.
