I. Purpose

These procedures implement Board Policy 4.36 (Abused and Neglected Child Reporting) The procedures are applicable to College employees, students, or volunteers, who are legally responsible for reporting suspected abuse or neglect of a child to the Illinois Department of Children and Family Services (DCFS). College employees and students who are “mandated reporters” are identified in Part III, below.

B. Neglected child means a child whose parent or other person responsible for the child’s welfare deprives or fails to provide the child with adequate food, clothing, shelter, or needed medical treatment. Neglect may also exist when a responsible adult provides inadequate supervision of a child, as when children are left either unsupervised or in the care of someone unable to supervise due to his or her condition.

Actual evidence may consist of obvious pain, or signs of physical injury such as cuts, burns or bruises. Circumstantial evidence may include a child’s change of behavior, or implausible stories about injuries or activities.

III. Employees Who Are Mandated Reporters

A. Mandated Reporters

The Act provides that all personnel of institutions of higher education, all athletic program personnel and all athletic facility personnel are mandated reporters. Mandated reporters are required to immediately report to the DCFS whenever there is reasonable cause to believe that a child with whom they have contact in their professional capacity may be abused or neglected.

Students enrolled in an academic program leading to a position as a child care worker, school service personnel and/or education degree are also mandated reporters pursuant to the Act.

Anyone found to have engaged in prohibited retaliation under this policy/procedure is subject to discipline, up to and including termination, expulsion and/or other sanctions.
IV. Reporting Requirements and Procedures; Penalties for Non-compliance

A. Requirements and Procedures

An employee, volunteer or student who is a mandated reporter and who has reasonable cause to believe that abuse or neglect has occurred with respect to a child known to the employee or student in his or her professional capacity shall:

1. Immediately report to the DCFS that he or she believes that a child may be abused or neglected. This initial report may be made by telephone to the DCFS toll-free child abuse hotline number: 1-800-25A-BUSE (1-800-252-2873). If the Hotline intake worker does not accept your call as a report, you will be informed of that fact and given the reason. Most often the explanation will relate to DCFS’ legal jurisdiction or to the evaluation of risk of harm to the child.

2. If a report is taken by the Hotline worker, an investigation is usually commenced within 24 hours. A written confirmation of the verbal report must be supplied, using DCFS’ CANTS 5 form. This is only required if the Hotline worker accepts your call as a report. The CANTS 5 form is available on G:/General/HR-Payroll Resources for Employees/Abused and Neglected Child Reporting Act/CANTS 5 or www.highland.edu/students/righttoknow.asp. The completed CANTS 5 Form should be sent within 48 hours of the initial report to the nearest local DCFS office by U.S. mail with postage prepaid. The location of the nearest DCFS office is available on the DCFS website at http://www.state.il.us/dcfs.

3. If a report is taken, the employee or volunteer is encouraged to promptly inform his or her supervisor and/or a member of the Behavioral Intervention Team (AA/EOE officer, associate vice president of student services, behavioral intervention officer, crisis counselor, deputy, or director of adult education) that an abuse or neglect report has been made and provide the associate vice president of human resources with a copy of the written confirmation of the report as submitted on the CANTS 5 Form. Students who are mandated reporters as a result of their enrollment in an education, child care or school service personnel program are encouraged to promptly inform the dean/instructor/coordinator leading the program if a report is taken. With the reporter’s permission, the dean/instructor/coordinator will then work with the student to notify a member of the Behavioral Intervention Team and ensure that the associate vice president of human resources receives a copy of the CANTS 5 form. Internal notification is subject to the discretion of the reporter.

A member of the Behavioral Intervention Team shall assist the reporter in further compliance with these procedures if the reporter requests assistance. The associate vice president of human resources shall maintain in a separate confidential file copies of all CANTS 5 forms submitted to the DCFS by College employees, volunteers and students pursuant to the Act, whether as mandated or as permissive reporters.
4. In cases where the individual suspected of abuse or neglect is an employee, volunteer, or student and where an incident occurred on college property or took place in connection with a college-sponsored or recognized program or activity, the reporter is required to notify the College as noted above. In the event that the individual suspected of abuse is the reporter’s supervisor or dean/instructor/coordinator, the reporter shall directly notify a member of the Behavioral Intervention Team. Should the individual suspected of abuse or neglect be the associate VP, human resources, a copy of the CANTS 5 form shall be given to the associate VP, student services.

5. If you witness child abuse or neglect actually taking place, you should contact 911.

**Notes:** The Act prohibits anyone, including a supervisor or program coordinator, from suppressing, changing or editing an abuse or neglect report. The reporting employee’s or student’s name shall not be disclosed to the parent or guardian of the child involved unless required by law.

**B. Penalties for Non-compliance**

The willful failure of a College mandated reporter to immediately report a case of suspected child abuse/neglect to DCFS may lead to his or her being charged with a Class A misdemeanor under the Act. A mandated reporter’s willful failure to report a case of suspected child abuse or neglect to the College (as outlined in Section IV, 3) involving a Highland employee, volunteer or student which occurs on college property, or in connection with a college-sponsored or recognized program or activity, may lead to disciplinary action up to and including dismissal or expulsion.

**C. Immunity for Making a Good Faith Report**

Individuals who in good faith make reports of suspected abuse or neglect are provided with certain statutory immunities from civil and/or criminal liability.

**V. Training and Acknowledgment of Mandated Reporter Status**

**A. Training**

Deans/instructors/coordinators of educational programs, such as Early Childhood Education, may require the online training as part of course requirements. Supervisors may elect to require employees or volunteers to complete the online training depending on the nature of the position and the population served.

B. **Acknowledgment of Mandated Reporter Status**

Each employee, volunteer and student who is mandated by virtue of employment, volunteer status or enrollment to report suspected child abuse or neglect pursuant to the Act shall, before he or she begins employment or participation in his or her educational program, sign the Acknowledgement of Mandated Reporter Status on the DCFS CANTS 22 Form included at the end of these procedures, confirming his or her knowledge and understanding of the reporting requirements of the Act. The signed form shall be maintained in each mandated reporter’s personnel, volunteer or student file. Employees, volunteers and students hired or enrolled in education programs prior to the amendment of the Act will be required to sign the Acknowledgement of Mandated Reporter Status as well. All Acknowledgement of Mandated Reporter Status (DCFS CANTS 22) Forms should be submitted to the Coordinator, Staff Development & HRIS to ensure that the form is placed in the appropriate file.
